

HD Word Phonics Curriculum LifeBridge Academy 2023-2024

HD Word is a set of lessons that build the important and lifelong foundations needed for all future academic and life success. The lessons systematically teach the essential phonics structures that unlock the English code in both simple and complex words. While the focus of HD Word is word study (phonics and phonemic awareness), there is a high rate of transfer to students' skills in other areas of reading, such as fluency and comprehension. The net effect is faster, more accurate, and more confident readers.
